

Waxing Certificate

Program Title: Waxing Program

Program Credential: Certificate

Program Duration: 2 days

Class Schedule: 1:00 pm to 5:00 pm

Program overview

Through a combination of theory and hands-on practice, you will learn waxing techniques for both face and body, as well as eyebrow and eyelash tinting. You will acquire the skills required to determine a client's needs and recommend post-care treatments. You will practice what you are learning and improve your skills at Chellsey Med-Spa, a full-service classroom and retail boutique open to the public. Working under the guidance of qualified Instructors, you will manage the administrative functions of the spa, including front line responsibilities, retail operations and providing spa services. You will provide waxing, eyebrow and eyelash tinting treatments to clientele.

Career Opportunities

With today's fast-growing beauty industry and demand for aesthetic services, students will receive hands-on training and gain knowledge in all phases of medical aesthetics. The program will provide information and guidance about career opportunities, seeking and obtaining employment. After completing the program, students will be eligible to start employment in medical spas, doctor offices or self-businesses. Chellsey Institute of Beauty & Health supports students from enrollment to graduation to ensure successful completion
